A Time for Prayer

Before people begin to lament the end of summer as back-to-school sales and other reminders of fall threaten to overwhelm us, it is good to remember that we still have a full month of summer remaining before the Labor Day holiday weekend.

In the gospels, we often are given a reminder of one way we might find fulfillment in the remaining days of summer – in a renewal of our life of prayer.

Jesus is frequently seen retreating to a mountaintop to be alone in prayer. The summer time is meant for all of us to be a similar opportunity for retreat. Summer provides unique opportunities to recognize God's presence in mornings that may be a little less hectic than usual or in evenings that produce powerful thunderstorms followed by the appearance of beautiful rainbows. The days and weeks of summer open a window to us to see God's presence if only our minds and hearts are open.

Sitting or strolling, at the beach or at the pool, or in our neighborhoods, in stillness and silence we can recognize God's presence and peace in our lives.

The McGivney Prayer

God, our Father, protector of the poor and defender of the widow and orphan, you called your priest, Father Michael J. McGivney, to be an apostle of Christian family life and to lead the young to the generous service of their neighbor. Through the example of his life and virtue may we follow your Son, Jesus Christ, more closely, fulfilling his commandment of charity and building up his Body which is the Church. Let the inspiration of your servant prompt us to greater confidence in your love so that we may continue his work of caring for the needy and the outcast. We humbly ask that you glorify your venerable servant Father Michael J. McGivney on earth according to the design of your holy will. Through his intercession, grant the favor I now present (here make your request**).
Through Christ our Lord. Amen.**

SK GK Michael P Argo

Worthy Brothers All,
I hope that you and your family are having an enjoyable summer.

We had a great social in the lounge this past month – The *Is He Worthy?* for PGK Steve Piscitelli with a great crowd on July 21. We did a mock courtroom trial in the spirit of SK Tom Fahey which Steve seemed to enjoy. Thanks goes to District Deputy Fred Beata for the great support of the event and a big thank you goes out to DGK John Michals for taking the lead Prosecutor on this great event. The talents of Ray Duff, Maurice Chau, Richard Frigon, Paul Kayanan, and Bill McGuirk in deliberation were extremely humorous and a special thanks to Jerry Krueger for taking on the lead as the event photographer. Great photos and as you know, a picture is worth a thousand words and Jerry took plenty. Thanks to Marvin Sychaj for hosting the great Pot Luck. Bravo Zulu to all! (That is an old navy expression for a Job Well Done!) Everyone had a great time, and I can't wait till you grill me.

A shout-out goes to the entire *Friday Night Bingo* Team for their extraordinary and professional operation! I enjoyed visiting the team on July 22nd, and I must say that it was exceptionally, impressive. This is a perfect example of leadership, communications and teamwork from our council supporting our values of charity, unity, fraternity, and patriotism. Thanks to Joe Tiago (in the red vest) for his enthusiasm as floor manager, Mike Murphy and Paul Sonosky (in blue vests) with the pull tabs, Ray Duff and Mike for calling out numbers, and Rich Hayden for putting a smile on everyone's face. Check out the photo of our two sous chefs, Cole Hernandez and Andy Rodgers, in "Heaven's Kitchen" with the Rastovski Family, who supported the floor as well. We welcome everyone in 5998 to come out and support our Bingo Team. *Bingo Night*, alright!

August will be a time of preparation for upcoming events and fall socials. We look forward to supporting our parishes with back-to-school activities including: the soccer challenge, the free-throw challenge, KCIC poster contest, and the essay contest. Start getting the word out now!

I look forward to seeing you at some our upcoming events so please reach out and support.

August

On Thursday, August 18 at 7PM, we have a *Combined Degree* – a great opportunity to build our force. On Saturday, 13 August at 1pm, there is the *Grand Knight's Luncheon* for the Ladies in the Lounge, hosted by Margot Argo.

September

Upcoming, on September 15th, is the *District Fraternal Benefits Night Social*. In mid-September, we have asked our pastors to host a recruiting drive at our two parishes, St Louis and Good Shepherd, during our proposed pancake breakfasts. This will surely be welcomed by our fellow parishioners.

As we recruit, we will lead many other Catholic families to promote the faith through our opportunities for Knights to do charitable work through *Food for Families* and *Rosaries for Life*. We will support our youth in our parishes and many programs promoted by District, State and Supreme K of C. Again, I am looking for someone to step up to the plate and volunteer to be our Family Director and Youth Director. It pays to be a winner!

As I mentioned earlier, let's support our home grown weekly and monthly Bingo operations with potentially new volunteers. Your assistance is greatly needed to help move the hearts and minds of our newest Knights in the coming year. Please encourage our fellow knights to get involved and support our common mission.

Finally, as you know, we are a fraternal group of Catholic gentlemen. Mt Vernon Council #5998 is a model example of all our principles. We stand together as an organization, unified to help those in need. Our common purpose is doing God's work. We give in every sense of the word. We are all examples of our principles. We are Knights of Columbus. Thank you for all that you do to support the Knights of Columbus and our Council. Hoo-Yah!
Vivat Jesus!

Mount Vernon Columbus Club, Inc.

SK 2PGK Michael J Murphy
President of Mt Vernon Columbus Club

Greetings brothers.

The Board of Directors held it's first meeting on Monday, July 11. I am excited about working with my fellow Directors during this fraternal year. We have a good blend of experience and I think this will pay big dividends.

One issue we paid particular attention to is the safety of our brothers. As you already know, we had a horrible accident on our property. It could have been a lot worse, but thanks be to God, it was not. But it was a real wake up call and the Board took careful notice.

The email I sent out was, undoubtedly, not happy news for some to hear. I understand you, as does the Board. First and foremost, we do not ever want a brother to be put at risk doing works of charity. However, accidents do happen, and this was a scary one that gives us pause on how we conduct business on the property.

Your Board will conduct a thorough review of our safety practices on the grounds. Heading the effort will be Brother Mark Busse. Mark is no stranger to workplace safety measures. Afterall, he is a Master Electrician. We are fortunate to have his expertise on the Board and we will give him the time he needs to keep our members safe. In the meantime, no bread trucks (or other non-commercial vehicles more than 10,000 pounds), will be authorized to operate on our property. Additionally, the Board is putting a stop the use of the shed for foodstuffs until after the Memorandum of Understanding (MOU) is finished. For those who attend Council business meetings, you will know that there is a move afoot to publish an MOU that will clarify the responsibilities between the Corporation and the Council. The committee charged with writing the MOU is close to completion.

Bingo deposit for July: \$120,000. Thank you, volunteers! You make it all possible.

Our next Corporation meeting will be on Monday, August 8 at 7P. We hope to see your there. Your voice matters.

VJ,
Mike

THANK YOU VOLUNTEERS!

District Deputy Fred Beata

Brother Knights and Ladies of Council 5998,

I hope you and your family are enjoying the summer months and taking time from your busy schedules for summer trips/vacations and to visit family and friends.

At the State level, the State Council will sponsor monthly virtual/hybrid combined degrees for online members/candidates and first- and second-degree members. Yorktown Council 7469 will host the next combined degree at 7 PM, August 18 at St. Joan of Arc Parish. Mount Vernon plans to show the exemplification in the lounge/hall. Starting in September, a Council from District 13 will conduct a monthly in-person combined degrees. The bottom-line up front, there are opportunities to bring in new Brother Knights and for current first- and second-degree Knights to advance to Full Knighthood in the Order.

Please continue to support your council officers by volunteering to assist with an upcoming event/program. As an example, volunteering for the soccer challenge in September, Spiritual Reflection/Rosary Program at the Abortion Facility on Saturdays, and pancake breakfasts at St. Louis or GSCC.

In today's materialistic and narcissistic world, it is more important than ever to bring new members and families (preferably young) into the Knights of Columbus. Remember to treat every event as a membership opportunity.

Vivat Jesus!
Fraternally,
Fred Beata

The Next Council, District and State Combined Degree Exemplification is August 18 at 630pm. .Please stay tuned to invite all those who are still 1st and 2nd Degree members to attend which will advance them to the 3rd Degree. Also, all the families are invited to attend as well.

Ladies Corner by Margot Argo

Dear Ladies,

I wanted to write a brief note thanking you for your steadfast support throughout the years and I look forward to working with all of you this coming year. Your support and efforts are crucial to the success of our Council. Without your allegiance, we could not successfully accomplish our goals. In June we held a luncheon and baby show-er for MiRaH, supporting the center with car seats, clothing, baby bath/toiletries, diapers, blankets, formula, toys... We also supported and celebrated the annual Appreciation Dinner. Ladies your support and efforts are greatly noticed and appreciated. Thank you again!

PRAYER FOR LIFE

O Mary, bright dawn of the new world, Mother of the living, to you do we entrust the cause of our life: Look down, O Mother, upon the vast numbers of babies not allowed to be born, of the poor whose lives are made difficult, of men and women who are victims of brutal violence, of the elderly and the sick killed by indifference or out of misguided mercy. Grant that all who believe in your Son may proclaim the Gospel of Life with honesty and love to the people of our time. Obtain for them the grace to accept that Gospel as a gift ever new, the joy of celebrating it with gratitude throughout their lives and the courage to bear witness to it resolutely, in order to build, together with all people of good will, the civilization of truth and love, to the praise and glory of God, Creator and lover of life. Amen. Pope John Paul II, Evangelium Vitae, 1995

Just thinking . . .**Exceptions Prove Rules**

An airmail stamp has the image of a biplane printed upside down.

Franklin D. Roosevelt is elected president four times.

The Cubs win the World Series after 108 years.

The winner of a Nevada beauty contest is a biologically male transgender.

Those exceptions prove rules.

A high school kid glowed with satisfaction some 75 years ago when it dawned on him that the old saw about the exception proves the rule made perfect sense. If something out of the ordinary happens, it does not conform. It wasn't supposed to be, yet precedent was broken. So it becomes exceptional. Bulb lights up over his head.

If there is a right, there is a wrong, paraphrasing G.K. Chesterton. Or, God's commandments are the rules, sin rejects his rules.

America today teems with people who want to exclude or step away from rules that are obeyed by a vast majority of human beings. They just don't wish to make their point. They wish to inculcate the rest of us. Repeated propaganda is beginning to take hold, to the detriment of society. That's woke.

This evil is particularly pertinent to believing Catholics. Most Catholic children in this country attend public schools. They are endangered with indoctrination contrary to Catholic teachings, which flesh out the Ten Commandments. These rules have served civilization well for centuries because they are written on the consciences of most human beings, regardless of their religious allegiances.

A recent newsletter of the Catholic League for Religious and Civil Rights was headed, "Sex Engineering Bill Is In-sane." *The National Sexuality Education Standards* were wrapped into a sex education bill passed by the Illinois legislature, although not yet state law. The standards are the work of a group called the Future of Sex Education and the Sexuality Information and Education Council of the United States. It's been around since the 1950s Kinsey Report, according to William Donohue, head of the Catholic League.

Donohue says that curriculum "is the most extreme attempt to transform the norms and values of young people ever envisioned."

He notes these lessons propose:

- 2nd graders should learn medical names for body parts, including genitals
- know of cohabitation and same-sex variants
- 5th graders should learn the "differences between cisgender, transgender, gender nonbinary, gender expansive and gender identity," and hormone blockers for those who identify as transgender
- 8th graders should know the meanings of "bisexual, lesbian, gay, queer, two-spirit, asexual, pansexual"
- refer to oneself as "they/them/theirs"
- treat abortion as "pregnancy option"
- sexual intercourse "may mean different things to different people, but could include behaviors such as vaginal sex, oral sex, or anal sex."

The curriculum does state, "The only way to completely avoid anal sex risks is not to have it." One point on which Donohue can agree: "That is what students should be taught."

Parents should be birds-and-bees instructors, to use the pre-Kinsey lingo. They must also instruct school boards that teaching and indoctrination differ. Some things are sacred -- such as parental duties -- and should be treated as such. Subjects that mock goodness are not to be tolerated.

Catholic grade schools are 52 percent fewer now than in 1970, and pupil numbers are down 65 percent. The number of sisters has shrunk by 75 percent since then, although not all of them taught children.

More than ever, Catholics must lobby elected officials to ensure public schools stop advocating cultural depravities. They should stress the need for basic studies that prepare for meaningful lives for all students. Rudimentary reading, writing, and mathematics promote literature, commerce, engineering, and science.

Meanwhile, the rest of us playing the living game might remember refs penalize rule-breakers, even throw bums out.

Carl Eifert
